

Attention PSNE engineers

Penalty Time slip for getting a train at the fuel dock in Heavener (south bound) or “pulling one high”

Make a claim in EWM under grievance/ non service claims input the following language in the claim under remarks. This is a good claim, and they should pay it

Be sure to include the train that you were instructed to either pick up or deliver, along with the time you were called.

(Claiming a basic days pay (Frt. Rate, 130 miles) acct. of going North of MP 336.7 on the Heavener Subdivision to pickup or deliver a train. The North Heavener control point at this location clearly divides the two (2) I.D. districts. Add. 18, sec. 1 & 8, par. 2, & Art. 54, par. A & B, and KCS Timetable # 11.)
